Fun Nights-

- January 14th Thursday Sundance

Old Business-

- Groomer sign: Rob and Bryan say it will be mounted in December.
- **Shed committee update:** Robert has been in contact with Wally and Doug Doboziuk about leasing, renting, or building our own thing on there land. Everything is open for discussion. Steve, Robert, Wally and Doug will get together and meet before the next meeting. Bryan has contacted a friend on Cain Rd and Cty Rd 30 as a possible option. Mark has a facility for lease on 116 and Larkin Rd. Steve has greased the wheels at Corcoran.
- All clubs within NWT to be involved. Hamel, Loretto, Brooklyn Park to make the shed a full encompassing meeting facility, groomer storage, sign storage etc. It can't be just one group so to speak.
- We will need in January more of what our bottom line is when it comes to what we can afford on a month to month basis, as well as buying the whole works etc.
- Realtor has an issue with the non exclusive, so we did not enter into an agreement with the realtor.
- Baker Park is dead this year.

- Expansion to the south along 119 is a dead. Mark is still working on his north trail expansion from Cty Rd 30.
- Maps need to be distributed to advertisers. Get map boxes out and about. Too many were left last year in the shed. It's a good tip jar!
- Drags at Butches: The longest of all the drags will be kept, the rest scraped. Rollers kept as well. Will need new hoses if we need to use the vehicle. Groomer training will be on a case by case basis this year. Contact Robert Johnston for one on one training this year.

New Business-

- Disking of fields took place as of these minutes being typed. Wally Etzel and Mark Kalassa completed a good portion of what was needed. Thank you very much!
- Motion made and passed for repair of Butch Neumans ATV damaged during trail marking up to \$500.00.
